Summary

I am a motivated learner currently pursuing a Bachelor's degree in Arts from Pt. Ravishankar Shukla University while attending a residential Computer Programming course at NavGurukul Foundation for Social Welfare. I have hands-on experience in web development, demonstrated through projects like a responsive Coding Quiz Webapp and an Image Gallery, where I utilized HTML, CSS, and JavaScript effectively.

Experience

Navgurukul   January 2025 - Present
Placement Specialist   Raipur, Chhattishgarh

Roles & Responsibility

- **Resume Assistance:** Assist students in creating and improving their resumes to align with industry standards, ensuring a professional presentation of their skills and achievements.

- **Placement Support:** Act as a liaison between students and the placement team, ensuring students are well-informed about placement opportunities and processes.

Education

NavGurukul Foundation for Social Welfare   Oct 2023 – Present
                              Certificate Course in Web Development

Pt. Ravishankar Shukla University Raipur   Jan 2024 – Present
                                                 Bachelor's in Art

Govt. higher secondary school Fundhar, Raipur   Jun 2021 – May 2022
64.2%   12th Grade

Projects

Coding Quiz Webapp
Developed a responsive coding quiz app with HTML, CSS, and JavaScript, featuring difficulty selection, a countdown timer, real-time score tracking, and dynamic questions. Leveraged Flexbox, media queries, and CSS animations for an interactive and engaging user experience.
